

Pet Head takes care of your dog from

Head to Paw with love!

Pet Head is the most pampering, multi-sensorial and effective pet range, allowing you to care for your dog as well as you would do it for yourself.

Our products are designed by pet professionals, including vets, groomers, dog trainers and technical team, to pamper any dog's coat. Made with only ethically & responsibly sourced ingredients, including natural oils & extracts, all our products are 100% Vegan.

Made with love, by dog lovers, for dog lovers.

BB

Awesome shampoo! Smells wonderful and the conditioner was great too! Left his coat super shiny.

99

BB

My fur baby's paws felt like sand paper. I put this on and boy is it a miracle worker. Her paws are like night and day after one application.

99

BB

I always buy this item every 2 weeks, my dog & I absolutely love it. She always relaxes after her wipe down. Would recommend this to everyone for their dogs.
